Executive Order No. 11246, September 24, 1965, as amended

4

Pursuant to authority delegated by the Secretary of Labor, the Director, Office of Federal Contract Compliance, has found that the listed persons or firms have failed to satisfy their obligations arising out of a contract incorporating Executive Order No. 11246, the implementing regulations, 41 C.F.R. 60-1.1 et seq., and orders issued in connection therewith. As of the dates shown, the Director has therefore declared such persons or firms ineligible for the award of any contract or subcontract funded in whole or in part with Federal funds from any agency of the United States, or for extensions or other modifications of such existing contracts or subcontracts, until they have satisfied the Secretary of the United States Department of Labor that they have established and will carry out personnel and employment policies in compliance with the provisions of Executive Order 11246, or superseding Executive Orders, and rules, regulations and orders promulgated thereunder.

Other Public Contracts Acts

By virtue of authority granted under Reorganization Plan No. 14 of 1950, and pursuant to the provisions of section 5.6(b) of regulations issued thereunder (29 C.F.R. 5.6(b)), the Secretary of Labor has reported that the contractors or subcontractors listed were found to be in aggravated or willful violation of the prevailing wage or work hours provisions of their contracts. Such regulations direct that (subject to consideration for reinstatement upon a demonstration of current responsibility) such contractors or subcontractors or any firm, corporation, partnership, or association in which such contractors or subcontractors have a substantial interest shall be ineligible, for a period not to exceed three years from the dates shown, to receive any contract for work subject to the labor standards provisions of any statute to which the provisions of Reorganization Plan 14 of 1950 are applicable.
